I just watched your interview with Ken Delaney. Great job. That one was tough with Maroa.

Thanks for doing these,
Becky

I received a call from a lady whose ~~name~~ works @ Maroa Farms. She is quite upset as according to her "the Coldwater Daily Reported quoted Burns as saying that ALL employees " @ Maroa were tested. She said ~~her~~ works in a dept of about 20 employees and that group was not offered testing. I gave her the information for Covered Bridge Mobile unit testing on this Friday and told her i would pass her concerns on. She apparently is working remotely herself as she ~~works~~ and her ~~name~~ lives with her. She is questioning why if they are having an "outbreak" that all employees are not being offered testing. I have her name and phone # if anyone would like it.

Thanks, Lisa
